Bible School Teacher Work Days

West End's Education Ministry has set each first Wednesday of the month, beginning in November, as designated "teacher work days" for all those who teach grades Pre-School (ages 2-3) through 12th grade for that particular month. These grade levels need planning time for detailed lessons and decorations in the classroom that often require time outside of the normal teaching schedule. All college/young adults and older will meet as usual in their classrooms on these days, but the above-mentioned grade levels will not hold class as usual. Parents will need to take their children along with them to their Wednesday night classes or sit with them to hear a lesson in the main auditorium.

Got Baptized or Placed Membership from Another Church of Christ?

All individuals and families placing membership with West End from another Church of Christ, or those that have been baptized here should attend our New Converts class with Orpheus Heyward or the our Orientation Class respectively. Those placing membership are strongly urged to attend the Orientation class led by members of West End's leadership. Contact elder, I. David Logan (404-755-1016) with any questions about the Orientation Class. Both classes are held in the red brick house located adjacent to the main building during regular Bible School class times. Those placing membership will be advised of the classes available for them and their families. Contact minister Orpheus Heyward (678-592-3397) or any elder or deacon with any questions.
