# The Church That Jesus Built

**T**oday we will discuss a most crucial subject that has tremendous importance in the mind of God. Our subject will be the Church that Jesus built and purchased with his precious blood. The subject of the Church in the minds of many is confusing. This is in part because the majority of people who attend a church are unaware of the definition of the term church. Some believe it is the building, while others believe church is in your heart. Therefore, masses of people have a concept of church that does not fit the Bible.

There are yet others who associate the church with the plethora of denominations that exist today. While these denominations differ in doctrinal beliefs, origin, and founders, it is commonly said that all denominations make up the church. However this is far from what the Bible teaches. When the Bible discusses the church, it speaks of the church as one spiritual body that consists of all those who have obeyed the gospel (Eph. 4:4, Mark 16:16). The church is the called of God. Those who answer the gospel call are numbered with the called out (2 Thess. 2:14). In the Bible, the church is never associated with a denomination, nor is it a denomination. The fact of the matter is that no denomination co-existed with the Lord's church in the New Testament. Denominations are a post-scriptural, and a post New Testament phenomenon that resulted from departures from the New Testament pattern of the church.

It should be the desire of every man and woman who respects the Bible to be in the church that Jesus built. No imitation or counterfeit will do. In as much as you cannot buy anything with counterfeit money, you cannot get to heaven in a counterfeit church. Believe me, God knows the difference. The good news is that God made it possible for us to know the difference. So today, we will examine the biblical identifying marks of the Lord's Church. Come now and let us get a word from the King concerning His Kingdom, the church.
