Let's Make Some Noise

It is consistently affirmed by the New Testament that the Church of Christ in your bible was a noise making church. God would constantly manifest himself in a way that would attract attention to the degree that multitudes would gather together. Look at God in Acts 2 grab the attention of the multitude as he sends the Holy Spirit. Look at Acts 3:3-9 as Peter arrest the attention of the Jews by healing a man crippled from his mother's womb. Watch Philip attract the people of Samaria through might works and wonders. Not only did they grab attention and make noise through miracles, but also through their message. An example of this is when Paul preached on Mars Hill making noise through the gospel of Christ.

The church today must exemplify the pattern of being noise makers. Just as the first century church reached multitudes, certainly God as equipped us to reach the masses by preaching a strong message accompanied by relevant ministry. How can we make noise today?

- We must maintain a pure message that is biblically based and scripturally sound
- We must be sure that our lives do not contradict the message we teach.
- We must constantly seek the lost in our daily routine.
- We must be open to methods that do not contradict the pure message
- We must demonstrate that we are enthusiastic about the God we serve. Enthusiasm is contagious.
- We must maintain relevant ministries that are designed to equip the saints and bring the sinner in contact with Jesus.

If we do these things, we shall reach and impact the people of Atlanta. Let us cry in the streets that Jesus is the only way to Heaven, and the way of the cross leads home. Cry in the streets that there is one Lord, one Faith, and One baptism. Cry in the streets that the Church of Christ is the only church found in the bible, in which a man can be saved. Let's make some noise!
