The Lord Desires an Evangelistic Church

Jesus the Christ upon His resurrection, instructs the disciples to go and teach all nations. The Gospel according to Mark says "go ye into all the world and preach the gospel to every creature". The church cannot survive universally or congregationally if it ceases to perform evangelistic efforts. Evangelism is a vital ministry to the overall growth of the Lord's Church. It is essential that each member implement in their daily lives the practice of communicating the gospel. It is not only a privilege, but a direct command to the people of God. To ignore evangelism is to ignore the authority of Christ. Our going into all the world is directly linked to our faith in His authority, which was manifested upon His resurrection. This is why His statement, "go and teach all nations" is subsequent to His statement, "all authority is given unto me in heaven and in earth."

The New Testament church was a growing church because of its consistent efforts to preach the gospel. Consider these scriptures that provide insight to the evangelistic ethics of the first century church. May we duplicate their zeal and multiply in number. Let us not die. Let us multiply!

- Acts 2:47 – Daily added
- Acts 5:41 – Ceased not to teach the word
- Acts 6:7 – the number multiplied
- Acts 8:4 – went every where preaching the word
