# Update on New Sunday Service Times

With the successful trial period of the 3:30 p.m. afternoon service during the month of July, the leadership has decided to permanently set the 3:30 p.m. service as our official “evening” worship service. There will, however, remain an abbreviated service for those who are not able to attend either of the morning worship services or the afternoon service. This service will usually last 35 minutes or less.
